UNFINISHED BUSINESS

Grant Application

Mayor Webster said there was good information about The Greater Cincinnati Foundation but don't know if we have any projects that they are looking for. Ideas were brought forth such as a backpack program, membership for needy children at the Community Center, scholarship fund, or day camp. After discussion it was decided they were not feasible for SOS to do.

Mayor Webster suggested they look into the home improvement program and get GE people involved. Greg Karle suggested SOS allocate a certain amount of funds so that Cammie Mitrione or someone could make an executive decision. It was agreed to allow up to \$500 per household with a maximum \$2500 total for home improvement projects. Mayor Webster would talk to Derrick Parham and Jeff Agricola about coordinating with GE.

TREASURER'S REPORT

Julie Matheny reported that the beginning balance from April 18, 2012 was \$14,569.31. There was \$1.79 in interest and a withdrawal of \$1,000 for Tri-County SOUL Ministries' summer food program leaving a balance of \$3,571.10. The Christmas fund balance is \$940.74.

GROUP DISCUSSION

Cammie Mitrione stated Mrs. Poynter's contacted a water proofing company about her basement problem. Rob Westerman's church group cleared stuff away from the walls.
