**UNFINISHED BUSINESS**

Talent Show

Carolyn Ghantous said she and Bob Diehl talked about the basics. They decided it would be best to only have school aged kids the first time. She said she is going to two events, one at school and one for the swim team and she will poll parents about participation.

Bob Diehl said they were not trying to do this in a hurry, maybe in February. He said they thought they would charge a nominal fee for attendance at the talent show, ask for donations and maybe have concessions. They will get together again after the two events.

**NEW BUSINESS**

Summer Food Program

Carolyn Ghantous asked if SOS was going to support the Summer Food Program again through SOUL Ministries. They provide extra food for families with school aged children during June, July and August when the school feeding program is unavailable. She said 68 percent of Princeton students are eligible for free or reduced lunches.. Marsha Hctor suggested donating \$1,000 and the group agreed. SOUL Ministries services Forest Park, Greenhills and Springdale.

End of Summer Event

Greg Karle stated popcorn and cotton candy sales are available for SOS to have at the end of summer event. The group said they'd also like to sell ice cream. Bob Diehl said Graeter's has a unit they can bring.

**TREASURER'S REPORT**

Mayor Webster said there was no change in the accounts other than 71 cents in interest.
