City of Springdale Tax Ordinance requires that 90% of your tax liability be paid on or before January 15 (for Residents) and December 15 (for Businesses) to avoid imposition of penalty & interest. Also, an estimate based on an amount equal to or greater than the last years' 12 month period of taxable income could eliminate possible penalty and interest.

An original estimate can and should be amended if subsequent events cause the original to be understated.

If your tax status has changed during the past year please include an appropriate explanation.
