

SLEEVES UP SPRINGDALE! HELP END THE COVID-19 PANDEMIC!

UPDATED INFORMATION REGARDING THE APRIL 2021 SPRINGDALE NEWSLETTER ARTICLE:

Studies suggest the COVID-19 vaccine may provide protection against the virus for six months to a year. The Springdale Health Department apologizes for the inaccurate information provided in the April 2021 Springdale Newsletter Article regarding the duration of protection provided by the COVID-19 vaccine.

To register for the vaccine, please visit:

<https://gettheshot.coronavirus.ohio.gov/>

Or call the Ohio Department of Health's Coronavirus hotline at: 833-4 ASK ODH

Please contact the Springdale Health Department if we can provide additional information or assistance:

Phone: 513-346-5725

Email: health@springdale.org

Springdale Health Department website:

<https://www.springdale.org/health-department.aspx>

*Please note Springdale Health provides the Moderna vaccine. Pfizer is the only COVID vaccine currently approved for individuals 16-17 years of age. Thus, at this time we are unable to provide the vaccine to residents under the age of 18.
